FULL DAY TOUR

Busselton Jetty and South West

Explore the iconic Busselton Jetty from above and below the water, and then experience the famous Margaret River region's nature, beaches and produce!

Departing Perth approximately 7am, we will head South to the town of Busselton – home to the famous Busselton Jetty. Once we arrive in Busselton, you will take the electric train journey right out to the end of the iconic 1.7km jetty so that you can really experience just how long the jetty is, and enjoy 360 degree views across Geopraphe Bay.

At the end of the jetty is Australia's greatest artificial reef, host to an awe inspiring 'forest' of vividly-coloured tropical and sub-tropical corals, sponges, fish and invertebrates. You will take a 40 minute guided underwater observatory tour where you will descend 8 metres beneath the water's surface and have the chance to view more than 300 individual marine species in their natural habitat through eleven viewing windows. You will then take the train back to the mainland and have time to explore the foreshore area and jetty gift shop to grab a souvenir or two if you wish.

As we leave Busselton, we will drive through the main town centre and head further into the Margaret River region. Throughout the day you will be surrounded by beautiful natural bushland, farms, forest and endless vineyards – you will also see plenty of farm animals, and if you are lucky you may spot wild kangaroos grazing in the paddocks.

We will then visit the Yallingup area where we will head to the locals favourite Barnyard1978 for lunch. Here you can enjoy dishes made using locally grown and sourced produce. *For lunch you can order from the a la carte menu and pay direct to the venue.* While you are there, you can also sample many different varieties of limited edition honey from local beekeepers including Marri, Karri, Red Bell, Jarrah, Wandoo, White Gum, Blackbutt and more in the Farm Shop (*available honey varieties may vary*).

“We spent a lovely Sunday in beautiful Busselton Jetty and Margaret River. We'd love to do more tours with Paul when we visit in the future. Highly recommended.

FULL DAY TOUR

Busselton Jetty and South West

After lunch we will visit the dramatic Canal Rocks. Here you can walk along the wooden bridge overhanging the ocean to get amazing views of the channel between the granite rocks where the ocean rushes in and the waves crash beneath your feet. Then visit the lookout above Smith's Beach, one of the most beautiful beaches in the area with an endless white sand beach.

No visit to the South West region is complete without sampling some of the local produce that the area is famous for!

At Vasse Virgin you will get the ultimate olive oil experience. Sample all-natural skin and body products and raw handcrafted soaps made from cold-pressed local olive oil, plus taste their range of gourmet food products and olive oils.

We will then visit the Margaret River Chocolate factory which has a huge range of chocolate products and chocolate tastings. Next door is Providore, where you can sample jams, relishes, chutney, sauces (sweet and savoury), olive oil, preserves, dressings, spice mixes and desserts. You can also take a walk around the vegetable garden, fruit trees and grapevines on the property.

Last but not least, we will finish the day at Bettenay's for a sample of local nougat. With 32 different flavours to choose from, there are lots of sweet treats to sample and purchase, including a Nougaretto Liqueur. Depending on the day you may even see the nougat production process through the viewing window.

If time permits, we will also stop in at the Margaret River Dairy Company for cheese and yogurt tastings, where you can purchase an ice cream made from fresh local milk before we start heading back to Perth. *Please note: As this is a regional area, everywhere closes between 4 and 5pm.*

We will commence our drive back to Perth around 5pm, arriving back in the City at approximately 8pm.

As this is a private tour for your group, it can be customised to suit your interests. If there is anything you would like to extend, remove or add please just let us know.
