FULL DAY TOUR

Caversham Wildlife and Swan Valley

Visit the amazing Caversham Wildlife Park, where you will get to meet native Australian animals, feed kangaroos, and get a taste of farm life. Then spend the afternoon on a journey through the Swan Valley's food and wine trail.

Start the day at Caversham Wildlife Park, where you will have a couple of hours to meet 200 species of animals, birds and reptiles with a private guided tour so you can explore at your own pace.

At the park you can interact with the iconic native Australian kangaroos to pat and feed them (kangaroo food is provided), see the penguin feeding and get up close to other famous native animals such as koalas and wombats.

Molly's Farm is an interactive farm yard that you can visit, and is suitable for children of all ages. Animal food is provided so that you can feed all of the animals, and there is also a nursery and hatchery where you can see the baby animals.

The Molly's Farm Show starts at 10am, be sure to catch this to see what life is like on an Australian farm – watch sheep shearing, crack a stock whip, milk a cow, bottle feed a lamb, meet a stockman on horseback, swing a billy, watch sheep dogs mustering the sheep and more. They are always looking for volunteers if you want to have a go yourself!

Between 9.00am to 9.30am you can meet the koalas and have your photo taken with them.

“Great tour to see koalas, wombats, quokkas and get close with the kangaroos to feed them. I and my family really enjoyed the tour, very memorable”

The beer and wine is made in-house from their onsite brewery and winery.

After lunch we will sample some of the produce the Swan Valley is famous for, starting at Western Australia's oldest chocolate company, Whistler Chocolate Company.

Then visit Mondo Nougat and Morish Nuts. Here there will be lots of sweet treats to sample and purchase, and you may even see nougat being made in the viewing area.

We will then stop in at the House of Honey, where you can sample lots of different types of local honey and there are many products available to purchase which are made using these honeys, including honey wine ("Mead").

Our next stop is the Cheese Barrel, where you can sample different cheeses and purchase some of the best local and international cheeses. *This can be changed to a tasting at Yahava Kaffeeworks for those that don't eat cheese.*

We will finish your tasting journey at the famous Margaret River Chocolate Factory and Providore, where you can sample chocolates, jams, oil, wine and lots, lots more! There is also a café here with coffee, ice-cream, cakes etc available for purchase.
