FULL DAY TOUR

The Best of Fremantle with Cottesloe & Kings Park

Spend a day in Perth's 'port city' of Fremantle – an eclectic blend of old meets new. Discover the history, see the sights and taste the famous brews.

Arriving in Fremantle (known as 'Freo' to us locals) just after 9.30am, we will start the day at Monument Hill lookout where you will get panoramic views over Fremantle city, the shipping port and Indian Ocean.

Start the day at Western Australia's only World Heritage listed building, the Fremantle Prison, where you will take part in a 'Behind Bars' tour. Explore the prison from its convict origins in the 1850s until its closure as a maximum security prison in 1991. Walk back in time through the Main Cell Block and exercise yards to view life as it was inside for convicts and prisoners alike. With a whipping post, gallows and solitary confinement cells, Fremantle Prison is a monument to a system of punishment that is uncomfortably recent.

We will then head to Fremantle's Fishing Boat Harbour where we will stop for lunch on the waterfront. You have the choice of local seafood/fish and chips at Kailis Seafoods, or the bustling Little Creatures Brewery. *Lunch is payable direct to the venue on the day.*

After lunch, you will get to take a guided tour behind the scenes at Little Creatures – Western Australia's most famous brewery (*for groups of 6 or more this will be a private tour*). Learn about the great ingredients they use, the brewing process to find out how beer is made, and hear the story of Little Creatures success. Finish with a guided tasting of their classic Australian beers and ciders.

"We love the personal touches and extensive local knowledge they have of Perth. Thank you for the experience Paul."

The Best of Fremantle

Take a walk through the Bather's Beach Art Precinct which runs alongside the ocean and takes us through the 'Whaler's Tunnel' and to the steps of the famous 'Round House' – built in 1830 this is the oldest public building in Western Australia. We will go in and take a look at this old gaol, which still has the old cells that the inmates were housed in. You will also get a great view of Fremantle and the Indian Ocean from this elevated location.

At the bottom of the Round House sits the historic West-End heritage precinct. Here there are many beautiful nineteenth-century Georgian and Victorian style buildings, including over 250 buildings which have been heritage listed – many of which are now fully restored and converted to bustling shops, pubs, cafés, galleries and apartments. We will take a short walk around the historic streets and 'cappuccino strip', where there are several shops to purchase some interesting souvenirs made by local artisans.

Once you have had a chance to explore the shops, you will have free time to explore the famous Fremantle Markets at your leisure, where you can buy just about anything and everything! There is a lot of locally made pastries and sweets, fresh fruit and vegetables, gifts, souvenirs, art, crafts and gourmet produce.

To finish the day, we will take a scenic coastal drive back to your Perth accommodation via the well-known local's beach of Cottesloe, where you can stop to get a photo of the iconic Indiana Tea House and the afternoon sun over the ocean.

As we come back into the City we will drive through Kings Park, one of the world's largest inner city parks. Here we will stop at some lookouts where you will get sweeping views of the City skyline across the Swan River, and you can also visit the State War Memorial, the floral clock and the 750 year old boab tree.

Please note the Fremantle Markets are only open Fridays, Saturdays and Sundays.

As this is a private tour for your group, it can be customised to suit your interests. If there is anything you would like to extend, remove or add please just let us know.
