Fremantle Highlights & Heritage Trail

With Cottesloe and Kings Park

Spend a day in Perth's 'port city' of Fremantle – an eclectic blend of old meets new. Discover the history of this seaside setting, take a coastal drive to Cottesloe and see the beauty of our famous Kings Park.

Departing the city approximately 10am, we will arrive in Fremantle (known as 'Freo' to us locals) around 10.30am.

We will start the day at Western Australia's only World Heritage listed building, the Fremantle Prison, where you will take part in a 'Behind Bars' tour. Explore the prison from its convict origins in the 1850s until its closure as a maximum security prison in 1991. Walk back in time through the Main Cell Block and exercise yards to view life as it was inside for convicts and prisoners alike. With a whipping post, gallows and solitary confinement cells, Fremantle Prison is a monument to a system of punishment that is uncomfortably recent.

We will then head to Fremantle's Fishing Boat Harbour where we will stop for lunch on the waterfront. You have the choice of local seafood/fish and chips at Kailis Seafoods, or the bustling Little Creatures Brewery. *Lunch is payable direct to the venue on the day.*

After lunch, we will take a walk through the Bather's Beach Art Precinct which runs alongside the ocean and takes us through the 'Whaler's Tunnel' and to the steps of the famous 'Round House' – built in 1830 this is the oldest public building in Western Australia. We will go in and take a look at this old gaol, which still has the old cells that the inmates were housed in. You will also get a great view of Fremantle and the Indian Ocean from this elevated location.

At the bottom of the Round House sits the historic West-End heritage precinct.

"Thanks Paul for your excellence and friendly service, it's more like going for a holiday with an old friend."

Fremantle Highlights & Heritage Trail

There are many beautiful nineteenth-century Georgian and Victorian style buildings, including over 250 buildings which have been heritage listed – many of which are now fully restored and converted to bustling shops, pubs, cafés, galleries and apartments. We will take a short walk around the historic streets, where there are several shops to purchase some interesting souvenirs made by local artisans. We will finish up on the ‘Cappuccino strip’ where you can grab an afternoon coffee if you wish.

To finish the day, we will take a scenic coastal drive back to your Perth accommodation via the well-known local’s beach of Cottesloe, where you can stop to get a photo of the iconic Indiana Tea House and the afternoon sun over the Indian Ocean.

As we come back into the City we will drive through Kings Park, one of the world’s largest inner city parks. Here we will stop at a lookout where you will get sweeping views across the City and Swan River, and you can also visit the State War Memorial or walk among the treetops and enjoy spectacular views of the city skyline on the Lotterywest Federation Walkway. The journey extends 620 metres through the Western Australian Botanic Garden over an arched bridge suspended among a canopy of tall eucalypts.

We will arrive back at your Perth City accommodation approximately 4.30pm.
