

PRIVATE TOUR

FULL DAY TOUR

Fruit Picking & Swan Valley Food Trail

Spend the morning picking your own fruit at a local orchard, meet the farmer and sample the fresh farm produce and juices. Experience the Swan Valley's sweet and savoury food trail delights, with premium wine tasting.

Start the day at a local Citrus orchard, which has over 13,000 fruit trees that grow a variety of different oranges, as well as mandarins, lemons, limes and grapefruit. You will take a guided tour of the orchard on the tractor with the farmer, and sample the fresh fruit that is in season. *This is a private fruit picking experience just for your group!*

You will then have some free time in the orchard to pick fruit straight from the trees yourself – two and a half kilograms of fruit per person is included in your tour price, this is yours to take. You are welcome to pick more fruit if you wish and pay for the additional fruit direct to the farmer on the day.

After your fruit picking, we will visit the packing shed, where you can sample the fresh fruit juice that is made from the orchard's oranges. There is other fruit, juices, honey and other fresh produce available to purchase if you would like to take some with you.

Once you have worked up an appetite, we will head to the Swan Valley, full of locally made food, wine and produce. Our first stop will be Mandoon Estate, one of the most prestigious and awarded wineries in the Swan Valley. We will begin with a wine tasting at their cellar door and then enjoy lunch in their brewery restaurant. **Lunch is included** in your tour, along with a local beer, wine or soft drink (*dietary requirements can be catered for*).

“Paul was a fantastic guide with plenty of local knowledge and lots of great tips for good places in Perth. Thanks a bunch Paul, we had a fabulous day.”
