## Ngilgi Cave, Lighthouse & Beaches

**Experience the famous Margaret River region's nature, beaches and produce, plus go underground to explore the magnificent natural wonderland at Ngilgi Cave.**

Departing Perth approximately 7am, we will head South to the Margaret River region where you will start the day with in the seaside town of Dunsborough. Have free time to take a stroll around the town centre and explore the local shops, galleries, cafes and perhaps choose to pick yourself up a treat or morning tea from the famous Dunsborough Bakery.

From there we'll take a scenic coastal drive through the Cape Naturaliste area and stop for some photo opportunities at the some of the Region's most beautiful and secluded beaches including Point Piquet, Meelup Beach and Eagle Bay.

Driving all the way out the furthest point, we will visit Cape Naturaliste Lighthouse and take a guided tour to the top of the lighthouse where you will have breathtaking panoramic views of the Indian Ocean, Cape Naturaliste, Leeuwin-Naturaliste National Park and the beautiful Geographe Bay coastline. Built from limestone quarried from nearby Bunker Bay, at its highest point the lighthouse is 123 metres above sea level.

After your lighthouse tour, we will stop at the Sugarloaf Rock lookout for some fantastic coastal photos.

For lunch, you have a choice of; Eagle Bay Brewery – a local's favourite with views over the valley and bushland and set on an expansive property with a vegetable garden and playground. Try their locally brewed beer with your lunch!

Or, Barnyard 1978 – a casual, barn style restaurant and honey store, with a viewing window where you can watch their pasta in the making and their own Barnyard Bees Honey that you can sample and purchase while waiting for your lunch. *For lunch you can order from the a la carte menu and pay direct to your chosen venue on the day.*

*"They showed us places we have not seen in our previous free and easy trip to Perth."*

# Ngilgi Cave, Lighthouse & Beaches

After lunch, visit the impressive Ngilgi Cave. Home to stunning stalactite, stalagmite, helictite and shawl formations, you will take a semi-guided tour and get the rare opportunity to handle the cave crystals at the touch table where a guide is available to answer all your questions.

We will then visit the dramatic Canal Rocks. Here you can walk along the wooden bridge overhanging the ocean to get amazing views of the channel between the granite rocks where the ocean rushes in and the waves crash beneath your feet.

No visit to the South West region is complete without sampling some of the local produce that the area is famous for! Starting at the famous Margaret River Chocolate factory which has a huge range of chocolate products and chocolate tastings. Next door is Providore, where you can sample jams, relishes, chutney, sauces (sweet and savoury), olive oil, preserves, dressings, spice mixes and desserts. You can also take a walk around the vegetable garden, fruit trees and grapevines on the property.

Last but not least, we will finish the day at Bettenay's, where you can taste local nougat. With 32 different flavours to choose from, there are lots of sweet treats to sample and purchase, including a Nougaretto Liqueur. Depending on the day you may even see the nougat production process through the viewing window.

Throughout the day you will be surrounded by beautiful natural bushland, farms, forest and endless vineyards – you will also see plenty of farm animals, and if you are lucky you may spot wild kangaroos grazing in the paddocks.

We will commence our drive back to Perth around 5.00pm, arriving back in the City at approximately 8.15pm.
