

PRIVATE TOUR

FULL DAY TOUR

Swan Valley Food & Wine Experience

A full day food and wine adventure on the Swan Valley Food & Wine Trail, where you will visit boutique wineries, enjoy fresh local produce and sample lots of sweet treats and gourmet specialty foods.

Start the day by sampling some of the produce the Swan Valley is famous for, starting with Yahava Koffeeworks, where you can do a tasting of three of their locally roasted coffees plus an iced coffee made using beans sourced around the world. Have some free time to explore the gift shop and watch the coffee roasting demonstration.

Visit The Margaret River Chocolate Company and Providore. Here you can sample a variety of locally made chocolate products and see chocolates being made through the viewing window. At Providore you can sample savoury jams, chutneys, olive oils, dessert sauces and lots more. You can also try their range of chocolate wines if you like!

We will then visit Western Australia's very first winery, which is still family owned and run today. Go on a guided tour behind the scenes, where you will get to walk around the vineyard and learn about how the local environment affects the types of wines that are produced, and then tour the inside of the winery and see how wine is made from grape to bottle. After the tour you will have a chance to sample any of the wines from their range and learn about the different flavour profiles of the different styles.

For lunch, we will visit the Cheese Barrel, where you will enjoy a platter of local cheeses, meats, bread, fruit, fruit paste, dip and olives. Relax on the deck and enjoy the views while you graze. *Drinks are available for purchase. Dietary requirements can be catered for, and for those that don't eat cheese, lunch can be changed to a different location.*

"Paul's knowledge in wine is superb. We never knew that there is so much to learn about the smelling, tasting and the difference in wine until now. We really, really enjoyed our trip."

FULL DAY TOUR

Swan Valley Food & Wine Experience

After lunch we will stop in at the House of Honey, where you can sample lots of different types of local honey and there are many products available to purchase which are made using these honeys, including honey wine ('Mead').

We will then visit a vineyard that has 100 year old Grenache grape vines. This experience will be a little bit different because you will get to try several wines all made with the same Grenache grapes, but made in different ways – so you can see how the winemaking changes the flavour of each wine. This tasting is outdoors in the vineyard, and here you can also make your own wine labels using your own photos – so you can purchase the perfect souvenir to take home to remember your day!

Stop in for a tasting of local Mondo Nougat and Morish Nuts. Here there will be lots of sweet treats to sample and purchase, and you may even see nougat being made in the viewing area.

To finish our day of tastings we will visit Western Australia's oldest chocolate company, Whistler Chocolate Company.

On our way back to Perth City we will drive through the historic town of Guildford, and if you wish we can stop in at a local fruit and vegetable market where you can purchase fresh produce grown on the farms in the area to take home or eat during your stay in Perth.

Please note that some venues are not open every day and depending on the day of your tour there may be minor changes. Any tasting that is unavailable will be substituted with an equivalent experience.

As this is a private tour for your group, it can be customised to suit your interests. If there is anything you would like to extend, remove or add please just let us know.
