HALF DAY TOUR

## Swan Valley Food Trail

**A half day food adventure in the Swan Valley, where you will enjoy fresh local produce and sample lots of sweet treats, coffee and gourmet specialty foods.**

Start the day with a coffee tasting at Yahava Kaffeeworks, where you can sample three of their locally roasted coffees plus an iced coffee made using beans sourced from around the world. Have some free time to explore the gift shop and watch the coffee roasting demonstration.

Sample some of the produce that the Swan Valley is famous for, starting with the Margaret River Chocolate Company and Providore. Here you can sample a variety of locally made chocolate products and see chocolates being made through the viewing window. At Providore you can sample lots of savoury jams, chutneys, sauces, olive oils, dessert sauces and lots more. Here you can also try their range of chocolate wines if you like!

We will then visit the House of Honey, where you can sample lots of different types of local honey and there are many products available to purchase which are made using these honeys, including honey wine ('Mead').

Stop in at the local Mondo Nougat and Morish Nuts. Here there will be lots of sweet treats to sample and purchase, and you may even see nougat being made in the viewing area.

For a light lunch (included) we will visit the Cheese Barrel, where you will enjoy a platter of local cheeses, meats, bread, fruit, fruit paste, dip and olives. Relax on the deck and enjoy the views while you graze. *Drinks are available for purchase. Dietary requirements can be catered for, and for those that don't eat cheese, lunch can be changed to a different location.*

After lunch we will stop for a tasting at Western Australia's oldest chocolate company, Whistler Chocolate Company. On our way back to Perth City we will drive through the historic town of Guildford.

***Interested in fruit picking? Ask us what fruit is in season during your trip and make this a full day tour.***
